LOWELL TRADE - VOCATIONAL HIGH SCHOOLS

Dedication

The eleventh edition of THE KEY, official chronicle of the Class of 1967, is dedicated to our representative in Congress, Honorable F. Bradford Morse.

Congressman Morse was born in Lowell and attended Lowell Public Schools. He was graduated from Boston University with a B.S. degree in 1948 and with a L.L.B. degree in 1949. Mr. Morse received the Honorary degree, D.Sci. from Lowell Technological Institute, 1965.

He has been a member of the 87th, 88th, 89th and 90th Congresses, and is presently on the Committee on Foreign Affairs.

For the privilege we say "thank you very much" to Congressman Brad Morse for his excellent representation, and with this dedication goes our every wish and prayer for continued success in your chosen field.

PROPHECY

This is the year 1977. It has been ten years since graduation night at Lowell Trade and Vocational School. We will now look upon our school mates and see what they have accomplished.

First of all we'll look into Pauline Berard's doings. She is now married and expecting her third child in August. Right next door to her lives her best friend Shirley Cloutier. At the corner grocery store, owned by Rachel Danis, we find Cecile Gagnon and Charlene Hamel doing their weekly shopping for their families. There, as a cashier we find Joyce Hart, spreading the latest gossip to Rachel Jacques and Rosemarie Cloutier. By the way have you heard? Colette Morrissette and Suzanne Marchand have opened their "Mademoiselle" dress shop. Janet Marr and Alice Perrin are anxiously awaiting for the furniture to arrive for their new hairdressing salon.

To further our inquiries we find that Diane Sevigny has a beautiful set of twins. She has hired Elaine Tsoukalas as their governess.

Jeanne Walsh continues her job as secretary to her husband, the Governor of Vermont.

One of Hollywood's top stars has been dating the wardrobe designer Jane Balczukiewicz. While still on the Hollywood scene, we see in theatre lights Dianne Boissonneault, starring in "Hello Molly". The writers of this play are our own Gail Chaisson and Karen Clohesy.

I can't seem to get in touch with Rosemary Deering and Gloria Desforges. Rumor has it they've gone to Latin America to visit Irene Dion who is one of the missionaries there.

Delores Fournier has continued her job at the Lowell General Hospital where she has advanced to the position of Head Nurse. Pat Gallagher is in charge of the diet kitchen at the same hospital.

On the political scene we find Nancy Gentle who is the first woman Governor of her state, and we hear that Rose Lagasse is now acting Mayor of a midwestern city.

Now we shall take a rocket ride across outer space. There in space we visit Julie Landry who is heading for Jupiter. That's where she and Carol Lannan have opened a restaurant for spacemen. Jackie Lessard is their chief cook. Also in space we find Linda Zerbinopoulos. Her destination is Venus, where she does her shopping for her seven children.

The space ride is over and we are back home on Earth. Here at the space station we see a roving reporter. Could this be our own Denise Marcotte? Sure enough, it is. She has been working for the "Town" newspaper for nearly six years now, and you will never guess who is her boss. The editor-in-chief is Gale Martel.

Remember Michelle Martin? She is one of Vogue's finest models. Gloria Matte has fulfilled her life long ambition - Marriage. Louise McLaughlin, once an employee of Pete's Diner, now owns it. This week's special is "Spaceship Sundae".

On the hit parade of songs we find our popular singer Denise Morrisette. Her latest hit is "Hey Let's Orbit". Jeanne Mousseau, I understand, is teaching Cosmetology at the new vocational school on the Moon.

We happened to see Jeannine Ouellette on a rocket ship to Venus. She is looking for Beatrice Roy, who is an instructor at the Venus de Milo School of Sky diving. Jeanne Senior is now a Home Economic instructor at Vocational school. Susan Shemchuk and Pat Texeira are partners in a pizza shop located somewhere in space. Linda Tremblay and Maureen Trombly now live in Alaska. Their husbands are both on duty with the Army there.

The President of the Painters Union, Steve Weilbrenner, is voting at a meeting with his board, whether or not to ask Paul St. Onge to resign from the union for false advertising in the painting field. Members of the board are Arthur Noble and Arnie Muscovitz. By the way, Paul wasn't guilty, Steve was.

Robert Wilcox, famed District Attorney, convicted Perry Mason who was defending Dave Tennant for killing ants on Tuesday. By the time the court was calmed, the real killer, Tennant had escaped.

Mario Silva, Captain of the S.S. Titanic Jr. set sail for outer Polovia . His first mate, Dick Monbleau, who was trying to free his finger from a pencil sharpener, expressed doubt as to his captain's competence.

Rocket Scientist Bill Labranche said there was some doubt in his mind as to his outer space craft heading toward Pluto ever returning. Astronauts Jim Freitas and Pete Johnson went into hysterics when informed of this rather unpleasant fact.

Ralph Steere, supervisor of the tool and dye firm of David Poole has been interviewing Bernie Comtois who has been applying to the firm for a job for the last three years. In consideration of the references given by Dana Hansen of the Hansen Machine Company where Bernie has been employed for the last two years, Ralph will fill the

job with Bernie. The Poole firm has two co-owners, Bob Houston and Joe Mullen, who are now vacationing in Florida with their wives. While in Florida, the couples are staying at the 'Cadorette Resort, the owner of the resort is a former resident of Lowell, who since has moved down South and is doing rather well. The Houstons and Mullens have been invited to a beach party by one of their old classmates, Gerry Arpin. He has been President of the Machinist union for the past three years. Mrs. Arpin, a well-known social benefactor will have some of the highest people in society at this party. At the party Mr. and Mrs. Cadorette will announce the grand opening of their new motel in Palm Springs. Mr. Poole is patiently awaiting the return of his co-owners from their vacation, so that he can take his wife to Hawaii where he will spend a couple of weeks having fun in the sun.

A new electrical concern has opened in Lowell and the President of this organization is Dick Archibald. The publicity man (the guy who does all the talking) is Charlie Espinola. The chief engineers are Bob Kotarba and Steve Wilson. Junior engineers to the firm are Paul Jeffers, Frank McMahon and Bill Stuart. Mr. Michael Ahearn, the man who does the hiring and firing has just put on the payroll Len Barros, Mike Batista and Jean Bergeron.

Paul Chandonnet of the Wealthy Bachelors Club warned David Etchells not to get married, telling him of all the troubles he will have. Now his wife wants a new house and to build this house Dave will have to engage Fontaine and Sons for the mason work, and the Mulligan roofing company. Sevigny Inc. will be the General Contractor. On top of all this Dave Jr. has just arrived adding some more bills to be paid. Big Dave gets a medical discount on all his drugs from Teague's Family Drug store. Moving to his new home will come sooner than he expected. This should not be a problem because Brouillard's Trucking company will give him a good deal. The local newspaper will send a photographer to take pictures of this typical American family. The photographer is none other than Bob Cole. Bob just got out of the Navy where he served under his old friend Admiral Davis. The day of moving has finally been set, and the Etchells plan to have a party for all those who helped. Music will be provided by the well known group, "The Demer's Dozen".

Dave Dobson, Vice-President of the labor union held a news conference today to announce that his union was successful in getting a pay raise for over a thousand mechanics. Mr. Freitas of Freitas Motors is strictly against the raise. He thinks that the workers are not putting out enough work to receive this raise. Also at this meeting, Dick Mullen and Denny Myron were elected to the Board of Directors. We are sorry that we cannot report on the doings of Manny Silveria. Last heard of, he was up in space somewhere.

Roger Blanchette owns a chain of grocery stores in Maine. As we were visiting one of Roger's stores we met Ray Boutin who is now

retired at the age of twentyseven. Ray Cloutier, Roger Corbeil and Bill Goyette are co-owners of a large furniture mill. Ray Hovey is now being offered thousands of dollars to turn over his 1951 Ford to Paul Kenney's Antique Shop. Danny Shay has just completed his split level home for his wife's eleventh anniversary. Dan hired Denny Mansur and David Mendes to do the interior work on his new home. Frank Moran is now in the Middle West raising cattle. The foreman of his ranch is Andy Nowak, who is the best mule trainer in the country. Bill Nowak is Andy's sidekick. Jeff Willett has added a small addition to the Pentagon after he drove his truck through the side of it. After returning home from overseas where he was in the Marines, Leon Plourde is now running for President of a Carpentry concern against his old rival Lucien Poirier. To everyone's surprise, the man elected was Andy Pulaski.

Looking back on our final year, we remember a lot of things we are glad we did, wish we did, or some other memories we are not so happy about. It was a patchwork year with brilliant achievements, crossing not so brilliant boo-boos. It is not for us to regret the past, but to mold the future. Now that we have been taught how, we advance onward, knowing that we have had a good beginning.

BASKETBALL

Lowell Trade High, for the second straight year, walked away with the majority of the basketball honors in the city. Terminating another successful year in which Lowell Trade High captured the best record in the city with 12 wins, 6 losses and also was successful in keeping the Eastern Massachusetts Championship title. Although the boys worked and played hard in the title game with the Western Massachusetts Champions, the game was lost by five points with a score of 64 to 59.

This year the basketball team will be losing three good players: Mike Ahearn, Bill Stuart and Dave Dobson.

Congratulations are in order for Coach Slattery and his great team for displaying fine teamwork and sportsmanship in all their games. Also to Mike Ahearn who not only was a fine leader and an excellent basketball Captain, but who also was awarded the highly regarded sportsmanship award. John Vail received the high scorer award of the City of Lowell, breaking the record for the most points scored in a game by one person, (52) and also scoring a record 511 points in one year.

Next years ball club, which has fine potential, will be attempting to reach the heights achieved by the fine work of this year's team.
